

KG Parent Reminder

Your child, _____ is now prepared to take their
Keyboard Gymnastics test for:

Technic, Level _____

Sight Reading, Level _____

Please contact one of the KG Testers listed below to schedule a test at their
earliest convenience, preferably no later than _____ (date).

Be sure your child brings the following items to the test:

- Critique Sheet with top portion completed
- Colored KG Technic Chart or paper with necessary info I will provide
(for Technic tests only)
- Metronome: Only if you want to use yours instead of the testers

Make sure your child is well rested with fingernails clipped when they show
up for the test. They should bring their completed critique sheet with final

I'm excited to see how well they do!
